

SECTION 1 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 2 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 3 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 4 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 5 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 6 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 7 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 8 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 9 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 10 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 11 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 12 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 13 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 14 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 15 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 16 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 17 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 18 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 19 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 20 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 21 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 22 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 23 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 24 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 25 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 26 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 27 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 28 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 29 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 30 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 31 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 32 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 33 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 34 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 35 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 36 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 37 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 38 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 39 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 40 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 41 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 42 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 43 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 44 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 45 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 46 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 47 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 48 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 49 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 50 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 51 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 52 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 53 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 54 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 55 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 56 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 57 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 58 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 59 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

SECTION 60 - GENERAL CONDITIONS CONTINUED

Clause 1.1. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.2. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.3. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.4. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.5. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.6. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.7. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.8. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.9. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.10. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.

Clause 1.11. The Contractor shall comply with the Specification, the Drawings and the instructions of the Supervising Officer.
